

3 day Gut Health & Nutrition poultry training

1^o DAY

Subject	Speaker	Time		
Welcome & Introduction		0:30	8:30	9:00
Q&A BREAK		0:10	9:00	9:10
Nutrition Industry Outlook: Feed Production Trends		0:30	9:10	9:40
Q&A BREAK		0:10	9:40	9:50
Fundamentals of Feed Optimization		0:45	9:50	10:35
Q&A BREAK		0:10	10:35	10:45
Intestinal Tract In Poultry: Form, Function, Flora		0:30	10:45	11:15
Q&A BREAK		0:10	11:15	11:25
Necrotic, Bacterial and Viral enteritis: contributing factors		0:30	11:25	12:10
LUNCH		0:10	12:10	12:20
Impact of Mycotoxins on Animal Health: Gut Health and Immunity		0:30	12:20	13:05
Q&A BREAK		1:00	13:05	14:05
Coccidiosis: Life cycle and impact of coccidiosis in different types of production and diagnostics		0:45	14:05	14:50
Q&A BREAK		0:10	14:50	15:00
Coccidiosis prevention tools, therapy, how to make sound anticoccidial program		0:45	15:00	15:45
Q&A BREAK		0:10	15:45	15:55
Coccidiosis in breeders and long living birds		0:45	15:55	16:40
DINNER				

2^o DAY

Subject	Speaker	Time		
Feed Management: Alternative Ingredients and Feed Additives		0:45	8:30	9:15
Q&A BREAK		0:10	9:15	9:25
Monitoring and Mitigating the Mycotoxin Problem		0:30	9:25	9:55
Q&A BREAK		0:10	9:55	10:05
Gut health management: growth promoters and alternative solutions		0:45	10:05	10:50

Efficacy testing and safety of anticoccidials	0:30	10:50	11:30
LUNCH	0:40	11:30	12:30
Travel to Kasetsart University	0:30	12:30	13:00
Monitoring systems for coccidiosis and bacterial enteritis	0:30	13:00	13:30
Q&A BREAK	0:10	13:30	13:40
Practical sessions: coccidiosis, BE and NE scorings; Mycotoxins	2:00	13:40	16:40
DINNER		19:30	

3^o DAY

Subject	Speaker	Time	
Early Feeding how it affects intestinal health in poultry		0:40	8:30 9:10
Q&A BREAK		0:10	9:10 9:20
Broiler signals and farm management		0:45	9:20 10:05
Q&A BREAK		0:15	10:05 10:20
Feed Evaluation Techniques		0:45	10:20 11:05
Q&A BREAK		0:10	11:05 11:15
Feed quality: feed structure and anti-nutritional factors (mycotoxins)		0:45	11:15 12:00
LUNCH		1:00	12:00 13:00
Interactive Workshop: Coccidiosis prevention and control and Gut health management		0:45	13:00 15:00
Evaluation test		0:10	15:00 15:10
Wrap up and awarding of certificates		0:30	15:10 15:40
End of GH & Nutrition Training			15:40 16:00
