

Program Hatchery Training

1^o day

Subject	Speaker	Timing		
Introduction	KVD	0:15	8:30	8:45
Egg development and the first 3 minutes	KVD	1:00	8:45	9:45
Q&A and break		0:30	9:45	10:15
Hatching egg management leads to qualitative hatching eggs	KVD	1:00	10:15	11:15
Basic principles of incubation and daily embryonic requirement	KVD	1:00	11:15	12:15
LUNCH		1:00	12:15	13:15
Candling and hatching, the last 3 days	KVD	1:00	13:15	14:15
From chick pulling to chick holding, a journey through all treatments	KVD	1:30	14:15	15:45
10 days break out and hatch debris	KVD	1:15	15:45	17:00
Wrap up	KVD	0:10	17:00	17:10
Dinner		19:00		

2^o day

Subject	Speaker	Timing		
On farm hatching, a new alternative	KVD	1:00	8:30	9:30
Nutrition influence on hatchability, eggs and chick quality	MT	1:00	9:30	10:30
Q&A and break		0:30	10:30	11:00
In Ovo, a new world opens	KVD	1:00	11:00	12:00
Optimal embryonic conservation during long egg storage	KVD	1:00	12:00	13:00
LUNCH		1:00	13:00	14:00

Welfare, a must in the hatchery	HVM	1:00	14:00	15:00
The need for perfect chick transport	HVM	1:00	15:00	16:00
Wrap up	KVD	0:10	16:00	16:10
Dinner			19:00	

3^o day

Subject	Speaker	Timing		
Perfect chick quality, a need for a good start on the farm	KVD	1:00	8:30	9:30
Gut health management in early chick life	GA	1:00	9:30	10:30
Q&A and break		0:30	10:30	11:00
Biosecurity: from cleaning towards sampling	GT	1:00	11:00	12:00
Trouble shooting	KVD	1:00	12:00	13:00
LUNCH		1:00	13:00	14:00
Practical session egg break outs	KVD	2:00	14:00	16:00
Evaluation test for certification	KVD	0:20	16:00	16:20
Wrap up & Certificates	KVD	0:10	16:20	16:30
